SUBWAY EMERGENCY EVACUATION INFORMATION

FIRE	MEDICAL	POLICE	EVACUATION
Notify train crew immediately. If possible, move to another car through interior doors. Remain inside - tracks are electrified. Follow instructions from train crew and emergency workers. Do not pull the emergency cord.	Notify a crew member immediately if a passenger is in distress. If you are qualified to assist, inform the train crew. Do not pull the emergency cord.	Alert the train crew to any unusual or suspicious behaviors. Train crews can notify police on route. Do not pull the emergency cord.	Do not exit train unless directed to do so by train crew or emergency workers. Follow instructions from train crew and emergency workers.
